

# BFFE Conference

on Agricultural Water Protection and Sustainable Food Production

Venue: Hanasaari Conference Center  
Hanasaarenranta 5  
Espoo, Finland

25 - 26 February 2015  
Hanasaari, Espoo

*Baltic Farmers' Forum on Environment (BFFE) was launched in April 1998 as an initiative from the Nordic Farmers Council (NBC). The aim is to strengthen the agri-environmental work among the farmer organizations.
